I live in southern MD. Where is the nearest place I can buy Cabrigo? Is there a place I can buy it on line? Thanks.

Do you ever get into DC? Schnieders' on Mass Ave near Union Station has a great collection of tequilas.

I got my bottle of Cabrigo online from Wine Chateau in NJ. You may want to try them at <http://www.winechateau.com>

Good luck and don't forget to rate it on the site once you've tried it.

Enjoy Responsibly,
