I have 3 signed and numbered bottles, i.e. No.A 2523. I bought them AT LEAST 20 years ago...any thoughts ?

Post a pic?? would love to see them. If you're looking to sell them, you may want to check out eBay, I've seen some nice bottles there. I don't think you'll end up getting what they are probably worth though....

These look like Chinaco Anejo tequilas that are no longer available on the market. Since you have numbered and signed bottles, they are collectibles and could be worth more left unopened in a collection than opening and enjoying the tequila inside.....but you do have three!

If you're interested in selling, check out ebay. You may be able to post it there, or find a dealer that sells lots of tequila online.

Sounds like you've picked up some great stuff.

Enjoy Responsibly!!
